

ASSET FTTGR V1.0

DOCUMENTATION

Thanks for downloading this asset. We appreciate it very much! Let's get down to business!

The package includes:

- Animated characters;
- Animated grass, lianas, fire and etc;
- Tilemap 8x8 pixels;
- Prefabs;
- VFXs;
- 2D environment;
- Audio;
- Materials and shader etc.

This asset is good for creating an interesting platformer. It has a lot of environment elements to make the levels look nice. And music will only increase immersion.

We wish you success!

If you have problems with the pack, or have some ideas for future versions, connect with us.
